WORK EXPERIENCE

Assistant data manager in covid vaccination:

October 2022 to June 2023, worked as data entry typist in covid-19 vaccination program.
At SHYOGWE HEALTH CENTER.

Data manager at Cyanza health post:

Since February 2024 , employed as data and manager at health post; while learning new skiils.
At CYANZA HEALTH POST.

OTHER EXPERIENCE

Lead Group activities to the best position regarding success expected.

During my university activities, i'm known to be best group leader and mentor to others to raise the weak and strengthen together while achieving our goal.

Problem management skills and opportunity outsourcing.

Managing different situations both on myself and on my friends, made me the best for problem Solver and that goes together with seeking viable opportunities .
